

Families make up more than 40% of the homeless population in Atlanta and Fulton County. At **Nicholas House**, we lead the community's response to family homelessness. Working collaboratively with a network of partners, we provide an array of supportive services including homelessness prevention programming, emergency shelter, case management, and permanent affordable housing. **Our mission is to help homeless families achieve self-sufficiency.**

As a valued and engaged member of our community, Nicholas House invites you to become a sponsor for its annual Dream Builders Event to benefit homeless families in the Atlanta community.

More About The Nicholas House and The Dream Builders Event

Nicholas House is a 501 (c) 3 nonprofit organization. Proceeds from the Dream Builders Event, which are typically 90% or more of funds raised, support Nicholas House's mission to assist families struggling with homelessness, unemployment, poverty, mental illnesses, addiction, physical challenges and more. The goal of the Event is to raise awareness and funds for Nicholas House's housing programs and supportive services.

During Dream Builders 2018, hundreds of volunteers, business leaders, community advocates, philanthropists and others attended and helped to raise tens of thousands of dollars for homeless families. Funds raised allowed Nicholas House to respond to emergencies and opportunities involving homeless families. Our 2019 theme, **Rise Up! Homeless to Home**, will address the causes of homelessness and share how Nicholas House is helping families improve their circumstances and achieve self-sufficiency. Please join us as we also celebrate families that are transforming their lives at Nicholas House. **Funds raised for Dream Builders 2019, will also help support Nicholas House's After School Enrichment and Summer Camp Programs for homeless children.**

Why Become a Dream Builders Sponsor?

Align your business with a high-profile, well-supported charity. Position your business as a supporter of community issues to your internal, external and community audiences. Make your business known to Atlanta communities' constituent base of over 50,000+ households. Nicholas House offers corporate partners an opportunity to support homeless families towards self-sufficient lives. Our staff will work with your company to develop a partnership that meets your corporate social responsibility objectives and business goals. Our most successful partnerships are collaborative and integrated across a company's human resources, philanthropy, public relations and communications strategies.

The Impact of Your Dream Builders Sponsorship

By becoming a sponsor of Dream Builders, you will help Nicholas House to support more people on a journey towards moving away from homelessness forever: from getting off the streets, to living in a new home, to learning new skills and securing employment. Sponsorship will help vulnerable families to live independently and will ensure that Nicholas House can continue its life-changing and, in some cases, life-saving work.

Next Steps

Attached are sponsorship levels and entitlements for your review and consideration. Limited sponsorship opportunities exist. Please respond as quickly as possible.
