

*Become A Table Host
during the
2020 Nicholas House Dream Builder Luncheon*

About The Luncheon

The Nicholas House Dream Builders Luncheon Event is an annual fundraiser which helps to raise awareness of and funds for programs and services provided by Nicholas House for homelessness families. Proceeds from the Dream Builders Event, which are typically 90% or more of funds raised, support Nicholas House's mission to assist families in achieving self-sufficient lives. Funds raised during Dream Builders 2020, will also help support Nicholas House's After School Enrichment and Summer Camp Programs for homeless children. The luncheon is **Thursday, June 18th from Noon until 1pm.**

About Table Hosting

Table hosts are integral to helping Nicholas House share the impact of its community work. As a **Table Host**, you would host a reserved table with 10 seats. By inviting 9 friends, colleagues, clients, or prospects to join you, they will learn about programs and services provided by Nicholas House for homeless families and are invited to become members of the Dream Builders Society. There is no fee to host a table. There is no cost to you or your guests to attend the luncheon. Parking is complimentary.
